

WELCOME

TO THE

Temple Railroad & Heritage Museum

Below are the steps being taken each day to ensure everyone's safety and to maintain the health of all visitors and staff.

- **Increased frequency of cleaning in high touch areas such as elevators, bathrooms & door handles**
- **Full facility cleaning each day**
- **One way directional guidelines established to minimize person to person contact**
- **Maintain all social distancing guidelines**
- **Debit/Credit card transactions only. No cash accepted for admission or purchases.**
- **Limit admission to building to ensure compliance with recommended protocols.**
- **Closure of all interactive displays within museum until further notice**
- **Staff wearing masks at all times when interacting with the public.**
- **Hand sanitizer is available in the gift shop & on both levels of the museum by the elevator.**

For everyone's safety, we HIGHLY recommend the use of face protection while in the building and encourage frequent hand washing and/or hand sanitizing.
