## **HOW OUR TEAM IS WORKING TO KEEP A SAFE ENVIRONMENT FOR MEMBER**

Our team is using a collection of information which includes following Governor Abbott’s “Minimum Standard Health Protocols” from the Strike Force to Open Texas as well as reviewing directives, guidelines and best practices from the Centers for Disease Control (CDC) and the National Recreation and Parks Association (NRPA). Using this information, the Department best determine how it can safely provide access to its facilities, parks and recreation programming.

- Our Team will be wearing masks when interacting with the public in the general use areas
- STAFFING: Summit Recreation Center will be staffed at the Front Desk, Weight Room, Northside Cardio Studio, and our Team will be performing regular restroom cleanliness checks.
- FACILITY SANITIZATION: The Summit Recreation Center personnel will have a rotation which allows the proper monitoring of the entrances, work out areas and the locker rooms in order to meet the following actions:
  - Ensuring the site is clean
    - *Prior to opening the facility*
    - *After each member enters the facility*
    - *After each time block to prepare for the next time block*
    - *Regular cleaning of restroom facilities*
    - *Prior to closing the facility*
  - All Members are asked to wipe down equipment before and after each use
  - Equipment used by Members will be sanitized by staff after each use throughout each work out time frames

**The safety of our Members and our Team is our highest priority!**
